

# "WORDS OF THE WEST"

APRIL 20, 2014

*The Cowtown Committee is looking for businesses, organizations and individuals to make this year's Cowtown a great success!*

*This year's theme is "Words of the West". With the support of our local merchants, we can have a variety of entertainment available to keep our participants downtown.*

- *Games*
- *Music*
- *Activities for ALL ages*

*Bean bag toss, hula hoop contest, boat races, magic, gunny sack races.....what would your business like to do??? What do you remember from the old days that you would like to see again?*

*Space is available for your business or organization to create a fun and inviting game or activity for children, teen or adults to enjoy. The committee is working with the city to block off 1<sup>st</sup> and 2<sup>nd</sup> Streets from 11 am to 3pm for your booth to be set up! A 10 x 10 area will be reserved for you....Please feel free to be creative with your space. Signage and decoration to support this year's theme is welcome and encouraged! The committee asks you provide all items needed for your game or activity. Maps are available to mark your preferred location.*

*Perhaps your business is one that will be open and have "goods" for sale. Will you be running any specials or a sidewalk sale? This also supports Cowtown!*

*If your business will not be open and you prefer not to sponsor an activity or game, is your business willing to donate to Cowtown to help in offsetting costs to put this year's events on?*

*Without your help, it would not be possible to make this event happen.  
THANK YOU in advance for your support!!*
